

## STEP CONFERENCE 2026 *"Pass It On"* (2 Timothy 2:2)

Participants at the conference

To our valued partners in the Gospel,

We are eternally grateful for your continued, sacrificial giving to LIFE Ministry Uganda. Your generosity enables us to pursue our calling: **to help fulfill the Great Commission by winning, building, and sending in the power of the Holy Spirit, and helping the body of Christ do evangelism and discipleship.**

Because of your faithful partnership, we are able to reach the next generation of leaders, equipping them to become spiritual catalysts at their campuses. We are excited to share with you how your investments are actively transforming lives and multiplying disciples among university students across Uganda.

### Reaching Students Through the STEP Conference: Stories of Impact

At the heart of our mission is the **Student-Led Movement**; a strategy that centers on **mobilizing** and **equipping** students to lead spiritual transformation on their campuses. From April 2nd to 6th, 2026, your giving made the **STEP (Students Towards Eternal Purpose) Conference** possible at Genesis Campsite in Mukono.

Themed *"Pass It On"* (2 Timothy 2:2), the conference brought together over 210 Christian student leaders from 31 universities. The primary objective was to envision and equip these students with essential skills of evangelism and discipleship so that they can lead spiritual movements

of multiplying disciples on their campuses.

The conference was a holistic experience featuring practical training and community outreach, vibrant student-led worship, and powerful campfire testimonies. But the true measure of STEP is the life-changing impact it had on the students who attended.

Tents for accommodation at the conference

Here is what your support accomplished, in their own words:

- Equipped for the Harvest:** Students were trained to share their faith using the Four Spiritual Laws booklet and digital tools, and immediately practiced these skills in the community. One student shared, *“Sharing the Four Spiritual Laws booklet has simplified sharing the Gospel... Engaging with the local community was deeply rewarding; seeing so many people give their lives to Jesus made the experience truly fulfilling. My only wish was for more time to continue reaching those who haven't yet heard the good news.”*
- Building Resilience and Faith:** When unexpected heavy rains disrupted the camping arrangements, the moment became a powerful lesson in trusting God through life's uncertainties. One student reflected, *“The experience of the rains taught me that there are ups and downs in every journey of our lives... The care and love we received from the facilitators made us not feel out of place; they were more like our parents.”*

## The Fruit of Your Faithful Partnership

- By the end of our time together, over 180 students committed to helping fulfill the Great Commission in their generation, and 95 students expressed desire to serve with LIFE Ministry Uganda as volunteers, interns, or staff after completing their studies.
- Individual effort can spark a flame, but it takes a united front to ignite a movement. Together, we are achieving far more than we ever could apart, turning the challenge of the harvest into a victory for the Kingdom. The spiritual growth, the newly equipped students, and the souls won for Christ during this conference are a direct result of your selfless partnership.
- Thank you for standing with us. Together, we are raising up a new generation of believers who are taking the Gospel to the ends of the earth. We invite you to continue walking alongside us as we plan for future STEP Conferences and ongoing ministry on campuses across Uganda.

God richly bless you!

For the fulfilment of the Great Commission,

*David Wataba*

National Director
